Kind reference is invited to paras 3, 4 & 7 of the enclosure to the States Department's letter. In view of these, it does not appear to be advisable to make these two temporary posts in the Civil Station Sub Registrar's Office permanent now without reference to other similar appointment in the Civil Statio

The appointments may perhaps be continued for the present in consultation with the Collector, Civil Station, to whom it is propo to transfer the Registration Department

In enclosing herein a copy of letter No.100/47 dated 29/7/47 e Sub-Registrar of the station I have the honour to request hat taking into consideration the volume of work in that office he posts of the two temporary clerks may be made permanent.

The posts of the two temporary clerks were created in September 1943 vide the proceedings of the Hon'ble the Resident in Mysore, Bangalore No. R.F. 153-43/ G & A dated 15th September 1943 taking into consideration the volume of work in the office and sin then the posts were extended periodically by the Hon'ble the Resident. Even now there is no change in the quantum of work in the office of the Sub-Registrar. On the other hand the work is increasing. In this connection I may request that the basis on which the establishment of a Sub-registry office is determined in Madras sent with this office No. U.O. 97 dated 20-8-1943 may kindly be perused. As explained therein it is absolutely necessary that the two temporary posts of clerks created in 1943 should be made permanent as otherwise the work in the Sub-Registra office will seriously be affected.

I have the honour to be,
Sir,
Your most obedient Servant,

REGISTRAR OF ASSURANCES.

Copy of Letter. No. 100/47 dated 29th July 1947
From the Sub-Registrar to the Registrar
of Assurances, C & M. Stn.Bangalore

Sir,

I have the honour to refer to your endorsement No.1104/47 dated the 20th March 1947, communicating the sanction of H.E. the Crown Representative to the continuance of the two temporary posts of clerks in this office upto the end of February 1948 or the date of retrocession whichever is earlier.

2. Since retrocession of a portion of the C & M. Station of Bangalore, has been announced it would appear that the posts terminate with effect from the date of announcement. As I have no official intimation of this event and as it is very necessary in the interests of the present state of work to continue these two posts, I have not relieved the two temporary clerks.

3. I understand that the Government of Mysore have issued a notification that all officers now working in the Civil area will continue to perform the duties of their office until further orders. It is presumed that the above notification will cover the case of the two temporary clerks and I am accordingly continuing them pending receipt of further orders

4. I also understand that there are similar cases in other offices of the C & M. Station of Bangalore, including the Court of theDistrict Munsiff.

5. In this I may add that necessary provision of funds has been made by H.E. the Crown Representativ in the budget estimates of the Mysore Assigned Tract for 1947-48. True copy
